

## **Vulcan District Roundtables - Directions to Canterbury UMC**

Beginning in May 2009, the Vulcan District Roundtables will be held at Canterbury United Methodist Church in Mountain Brook on Overbrook Road. Below are directions to Canterbury from Interstate 65 and from US Highway 280:

- If you are traveling on Interstate 65, get off at the Lakeshore Road exit and head east on Lakeshore (turn right onto Lakeshore if you were traveling north on I-65; turn left onto Lakeshore if you were traveling south on I-65). Stay on Lakeshore through the busy intersection with Greensprings Road/Highway. Go past Samford University on the left (north) and Brookwood Mall on the right (south). Stay on Lakeshore and it will become Mountain Brook Parkway at the intersection with Cahaba Road.

- If you are traveling northwest on Highway 280 (towards downtown Birmingham), look for the Birmingham Waterworks facility on the left (west) side of 280. Just beyond the Waterworks facility, there is a stoplight for the Cherokee Road intersection. Move to the right lane as you approach this stoplight. Immediately after you go through the Cherokee Road intersection, move into the exit lane and take the first exit as you are going down the hill. This exit will take you to a 4-way intersection with a stoplight (Lakeshore Road is to your left, Cahaba Road is straight ahead, and Mountain Brook Parkway is to your right). Turn right onto Mountain Brook Parkway.

- If you are traveling southeast on Highway 280 (away from downtown Birmingham), take the Lakeshore exit. Turn right at the end of the exit ramp onto Lakeshore Road and travel under the Highway 280 bridge. Stay on Lakeshore and it will become Mountain Brook Parkway at the intersection with Cahaba Road.

### *Canterbury Scout Building*

You will drive a little more than 1 mile on Mountain Brook Parkway until you come to the first light, which is the intersection with Overbrook Road. Turn left onto Overbrook. Drive a few hundred yards and a turn into a parking deck will appear on your left. Thus is the Canterbury parking deck. Take this left turn towards the parking deck; this turn is the first opportunity to access Canterbury. If you kept going on Overbrook, you would pass Canterbury on your left and then Mountain Brook Junior High on your right. If you do this, turn around.

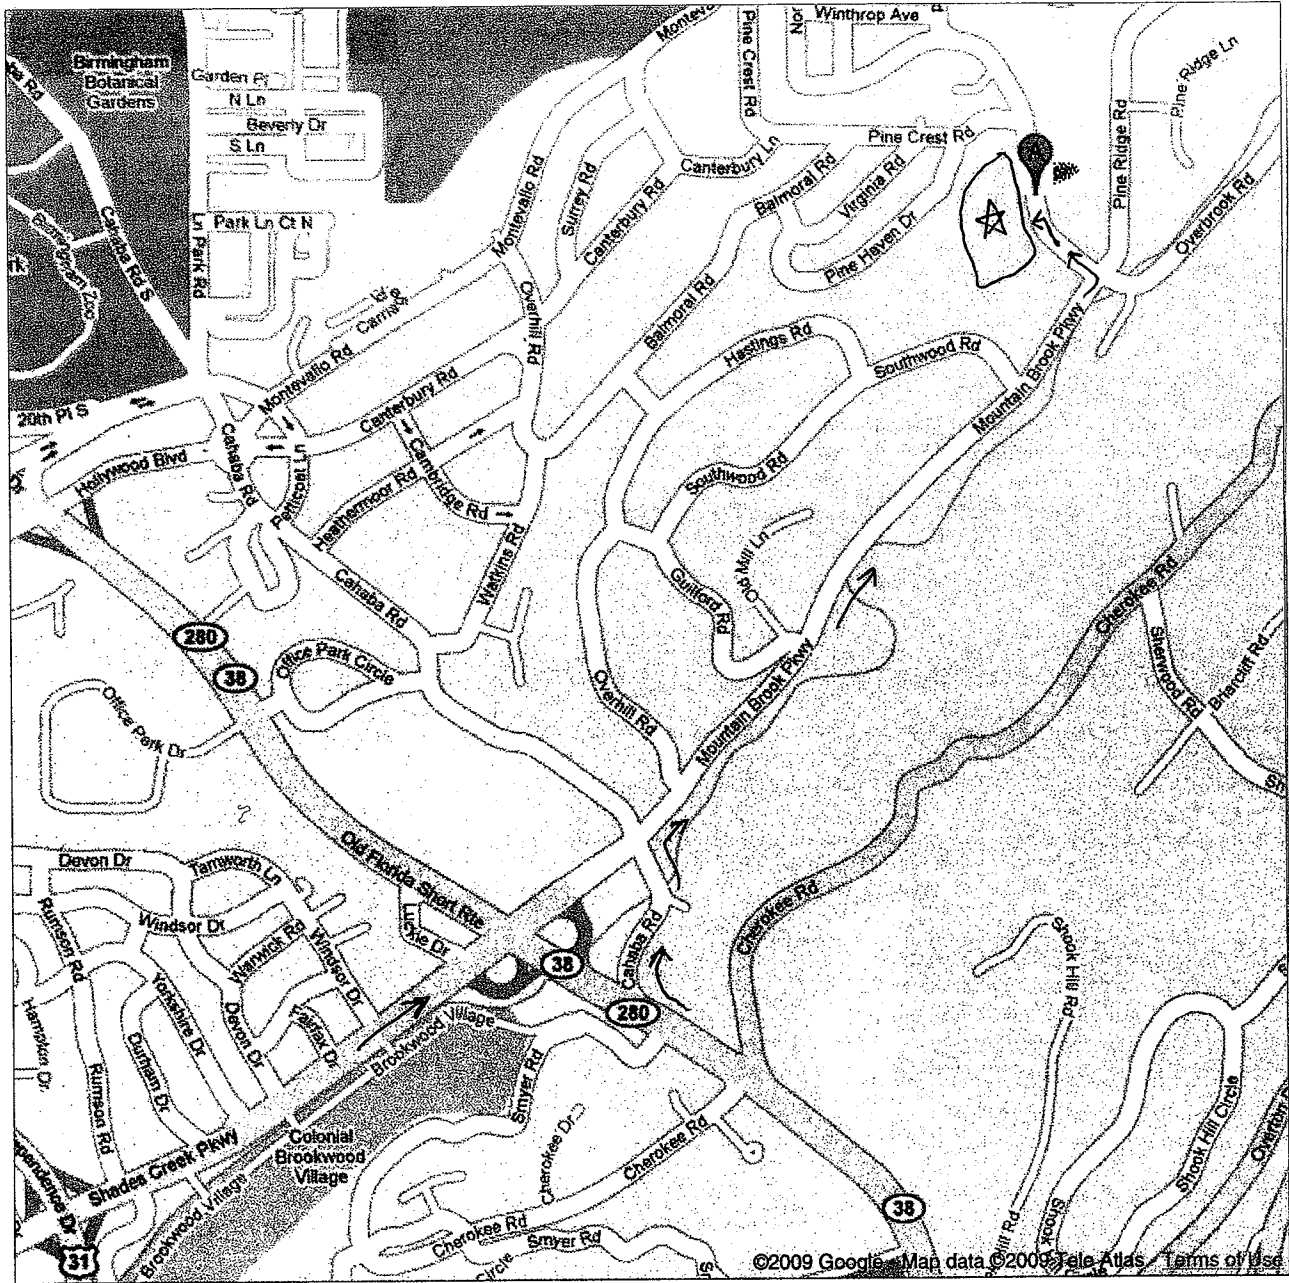

As you turn towards the parking deck, you will cross a short bridge. Do not enter the parking deck. Instead, turn left up the ramp to the top level of the parking deck; look for the sign on the side of the parking deck directing you to the left and up the ramp to the Scout Building. As you enter the top level of the deck, you will see the Scout Building up the hill on your left. Drive to the far end of the deck and park your car there. You will see the narrow road that leads from the far end of the parking deck up the hill to the Scout Building. We ask that you walk up the road to the Scout Building unless you are bringing equipment or other materials that are difficult to carry.

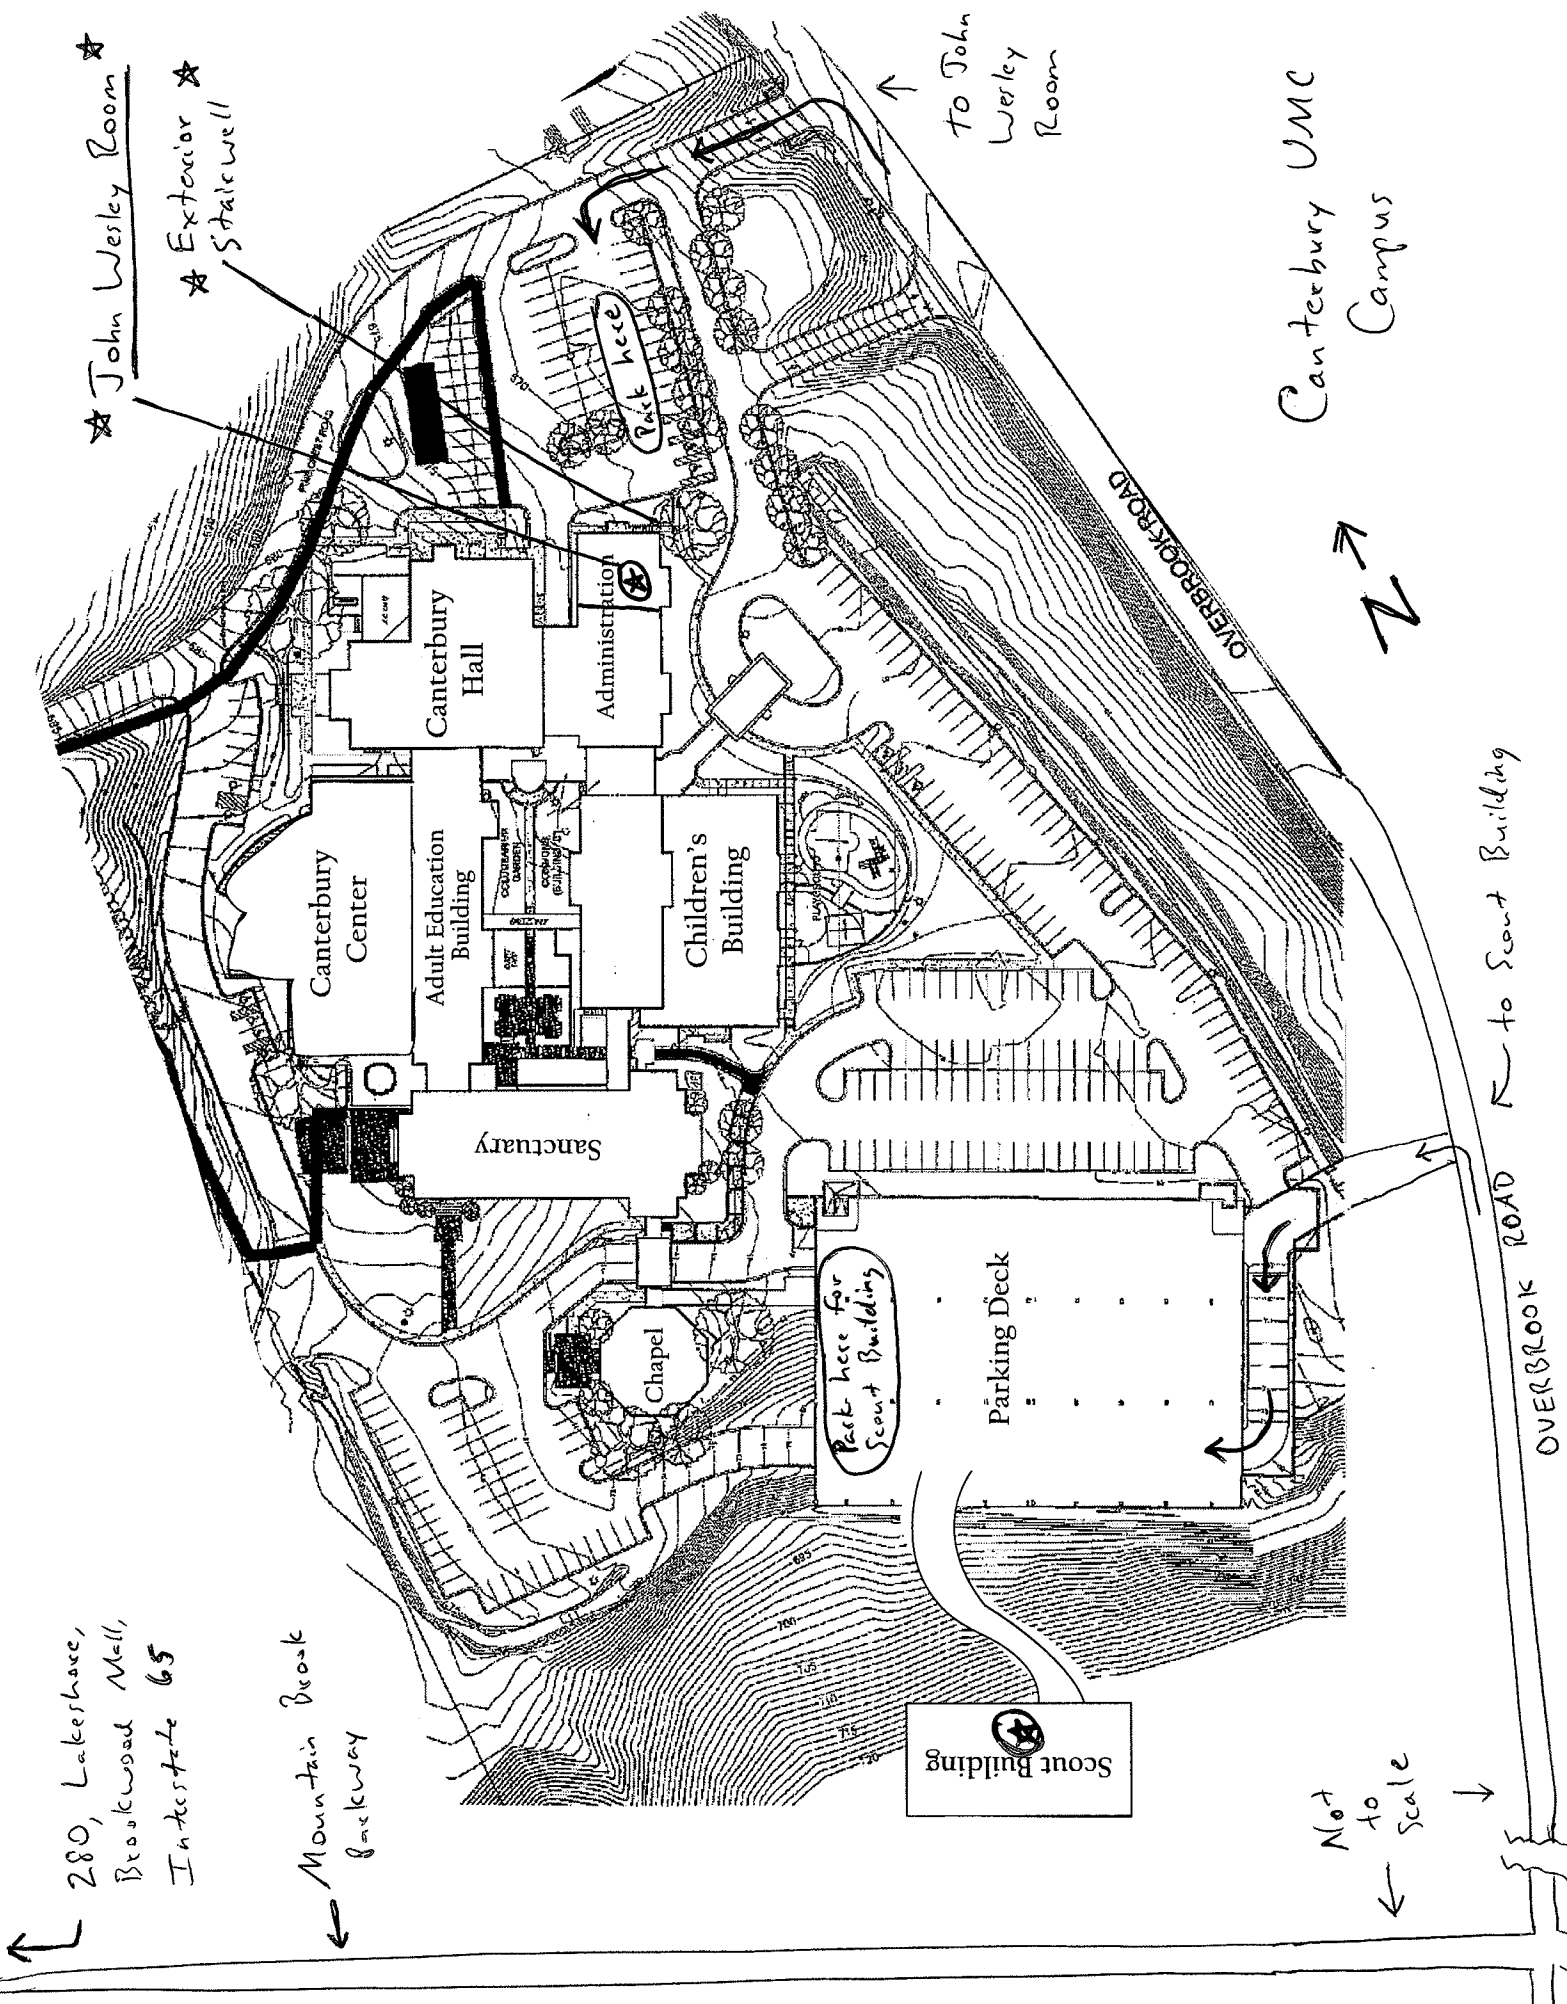

### *John Wesley Room*

After the joint (Cub Scout & Boy Scout) portion of the Roundtable is over, one group will stay in the Scout Building and the other will likely adjourn to the John Wesley Room, which is at the far (northeast) end of the main Canterbury building on the second floor. It can be accessed from the outside at the top of an exterior brick staircase. Please see the accompanying Canterbury Campus map for the exact location of this Room and the staircase.

To go directly to the John Wesley Room, stay on Overbrook past the parking deck entrance and turn left onto Pine Crest Road. Go down the short hill and park in the parking lot on your left, which is at the northeast end of the primary Church building. Climb the exterior stairs at the northeastern corner of the building and enter the John Wesley Room at the top of the stairs.
