## Readiness Checklist for Powder Horn:

- I am a registered member of the Boy Scouts of America.
- I am trained in Adult Leader Basic Training for my program (Boy Scouting, Varsity or Venturing) or will be trained prior to the first day of Powder Horn.
- I will obtain and be able to present a current BSA Class III physical form when requested.
- I understand this course follows a hands-on, intense, early-morning to late-at-night schedule.
- I understand this is a backcountry course that is physically demanding. Activities will take place, within a safe environment, no matter what the weather holds for us. I will "Be Prepared" to spend most of my time outside.
- I understand that Powder Horn is not a "total training program". This course will not enable the adult scouting leader to be an "expert" or sufficient in any aspect of outdoor skills. Instead, Powder Horn provides the opportunity to try out a wealth of high-adventure activities and meet technical experts (consultants) who can address your questions.
- I understand I will be encouraged to participate in the activities. A good fitness level and a willingness to participate are both essential to facilitate the best learning experience. However, I understand that I will not have to do any activity that makes me feel uncomfortable; instead I can watch others enjoy the activity.
- I am responsible to pay the balance due of course fee by the designated deadline. Total cost for Powder Horn is \$200.
- I have enclosed the two page application and I have enclosed my \$25 application fee. I understand it will be returned if not selected for this course (on or about December 1, 2007).
- I will share what I've learned from Powder Horn course with the youth who I serve, to better enrich their Scouting experience.

**All you have to do now is SIGN and get READY!**
